### In-House Clinic Registration:

- Registration is subject to third-year preference and is contingent upon approval from the Clinic Director.
- Enrollment in each clinic is capped at eight students.
- Students interested in registering for an In-House Clinic can complete the online application here: http://law.richmond.edu/academics/clinics-skills/in-house/application.html [hyperlink to online application will be available on 3/25 at 1:00 pm].

### Wrongful Convictions Clinic:

Students who take the Wrongful Convictions Seminar in the fall have priority enrollment for the eight positions available in the Wrongful Convictions Clinic in the spring. If more than eight students from the seminar are interested in the Clinic, the director will select the eight students for participation. If fewer than eight students from the seminar are interested, the clinic will be open to other students who seek permission from the Director. Non-seminar students need to apply and be interviewed to enroll. In either case, the clinic is capped at eight students. For administrative clarity, all interested students should fill out an application form.

### International Business Practice:

- Interested students must interview with Dean Williams by Friday, March 29th at noon. A sign-up sheet will be posted on his door.
- Applications are attached and can also be obtained by emailing Anne Wroniewicz at asaldutt@richmond.edu.
- Students will be notified of acceptance on Monday, April 1st.

Late applications considered if space is available, but priority given to those filed within deadline.
